## Message on our 70<sup>th</sup> Anniversary

### Embarking on a New Challenge

We are pleased to announce that, with the continued support of all, we celebrated our 70<sup>th</sup> anniversary in March 2025. We extend our heartfelt gratitude to our community, partners, employees, and stakeholders for making this milestone possible.

We deeply respect the efforts of our predecessors and past management who laid our company's foundation. We will carry forward their passion as we strive for further growth.

Guided by our corporate philosophy of "Society-oriented company, technology-oriented company" we have remained committed to legal compliance and technological excellence while sincerely addressing social challenges. Our seventy-year history stands as a testament to the trust placed in us by our custom-

ers and serves as a reminder of our renewed responsibility for the future.

Going forward, we will leverage our current business strengths while exploring new fields, focusing on the circular economy and next-generation innovation. Through diversity and inclusion, we aim to create a workplace where all employees can thrive, enabling both individual and corporate growth as we move toward becoming a centennial company.

We will continue to do our utmost to meet your expectations and sincerely request your continued guidance and support.

## Event at Hiyoshi

### Governor of Shiga Visits Our Company

On July 8, 2025, the Governor of Shiga Prefecture, together with other officials, visited our company. They learned about our international initiatives over the past 30 years, particularly those focused on India, and discussed future prospects.

The delegation also toured our laboratory, where they interacted with the two intern students from India, learning about their experiences, the skills they have acquired, and how they plan to apply them in the future.

Following the visit, the Governor offered words of encouragement regarding our ongoing efforts in international collaboration and exchange.

## Golden Jubilee of the ABK-AOTS DOSOKAI Tamil Nadu Centre

On March 8, 2025, Golden Jubilee of the ABK-AOTS DOSOKAI Tamil Nadu Centre was held in Chennai, India, with four representatives from our company, including President Suzuki and Advisor Murata, in attendance. Since Chairman Ranganathan's first visit to Hiyoshi in 1994, we have collaborated for 30 years, welcoming 265 Indian trainees through international initiatives. At the social gathering following the ceremony, we reaffirmed the significance of our ongoing efforts.

## Two Interns from India Undergo Training in Hiyoshi

From May 19 to July 22, 2025, we hosted two Indian International Internship trainees, Mr. Sundhar Gopu and Ms. Torel Samyuktha S, selected from a record 1,249 applicants. They were trained in water analysis, food inspection, facility maintenance, and market research.

## Winners of the Talk your Way to Japan Speech Contest Invited to Japan

From May 26 to June 9, 2025, six speech contest winners from India visited Japan to learn about the environment, Japanese culture, and business theory. The "Talk Your Way to Japan" speech contest was launched in 1995. Since then, Hiyoshi has supported the event as part of its social contribution efforts, having welcomed a total of 99 winners.
